SNAPSCAN

How to Buy Electricity:

Use your **meter number** (11-digits e.g. 07142500912) to purchase electricity at any of the above options and you will receive a **20-digit number** on your slip which you must punch into the keypad.

FNB ATM purchase or ATM cash express: (Don't have to be a bank Client)

Step 1: Take your meter card or the meter number with you.

Step 2: Please select pre-paid and then ESKOM prepaid.

Step 3: Enter meter number.

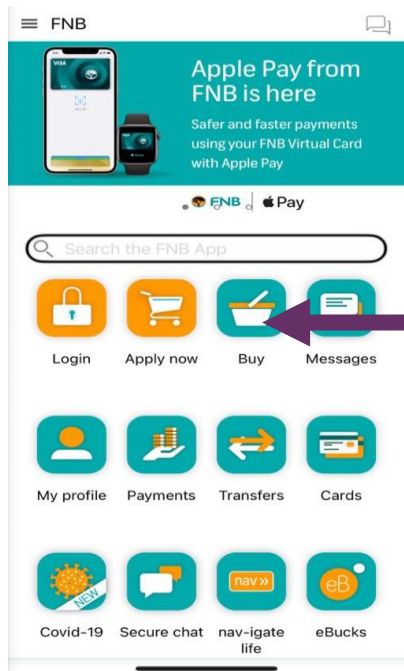

Step 4: Select the amount wanting to purchase.

Step 5: And receive 20-digit token.

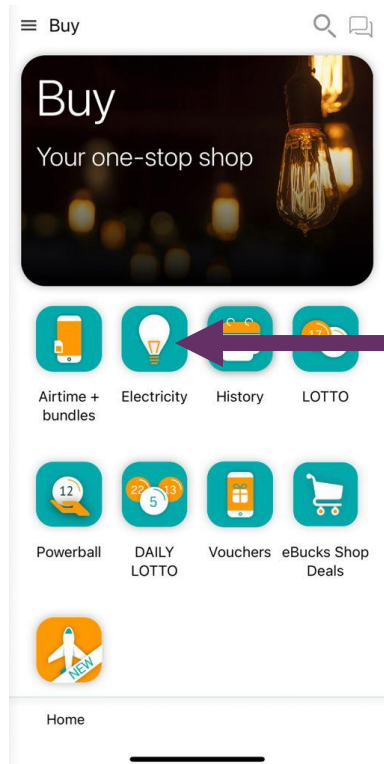

Step 6: Type token into your keypad.

FNB App purchases:

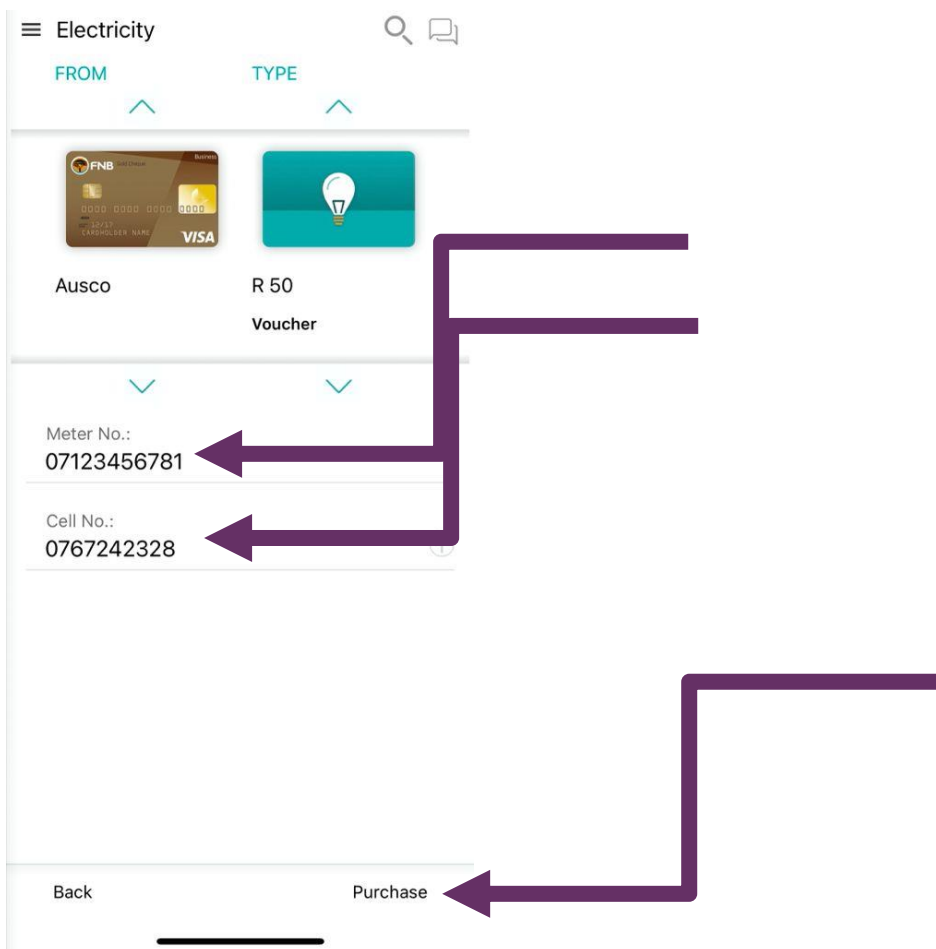

Step 1: Open the FNB App and Select “Buy”.

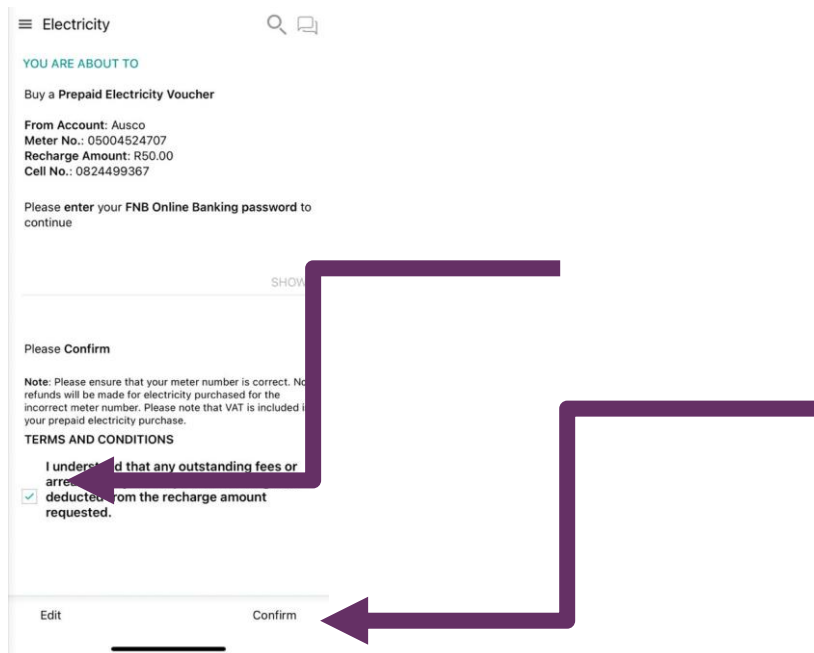

Step 2: Select “Electricity”.

Step 3: Enter your meter no. and Cell no. and select "Purchase".

Step 4: Tick the T's and C's and select Confirm (Also require Password, if not logged in already).

Step 5: You receive a slip with the 20-digit token to type into your prepaid meter.
